Bob,

Thank you for your thoughtful invitation to join in the testimonial dinner in honor of Bill Baker. As you know, he has been a longtime supporter of the Agency and particularly useful in our overhead and communications programs.

Unfortunately, I will be in Europe and unable to participate. I thank you for the thought, and also, through you, I wish to extend to him my congratulations.

Sincerely,

Dear John,

I am enclosing a copy of a letter which I have sent to Mr. Casey. I thought it might help the cause if you were aware and could assure him that SASA is for real and "does good things". Bill Baker suggested Mr. Casey, and is high on having him present the award. Incidentally, the award is a gold medal-I said gold-the design for which will be completed this week. The medal is personalized and will be cast especially for him. You, of course, will remember the Inman affair which SASA sponsored at Bolling 1 July 1982. The format of the Baker Award banquet will be much the same--first rate. You, of course, will be invited in any event. Also intend to invite Charlie Briggs-he did such a terrific job when you bailed out on us last summer!

Hope you and your family are in the best of health, and that all goes well at Langley. I'm sure you'll do what you can to encourage Mr. Casey to participate.

All my warmest and best wishes.

Kindest personal regards,

  
John E. Morrison, Jr.
